Strategy	Climate Change	COVID-19
Alarmists purposefully try to make the public very afraid	Claim an existential threat: world ending in 10± years	Claim an unprecedented global pandemic
Fear is based on an invisible enemy	Yes: CO2	Yes: SARS-COV-2
The public is told that the fear is supported by the best Science	Yes	Yes
Prophets of doom rig the data used to generate fears	Falsify (exaggerate) temperatures, sea level rise, etc. data	Falsify (exaggerate) death rates, risk, etc.
China plays a pivotal role in causing the claimed problem	Yes: Largest source of CO2	Yes: Source of SARS-COV-2
Computer models are used to give credibility to the fears	Yes	Yes
Some wayward "scientists" are used to give credence to the fears	Yes	Yes
Several "scientific" organizations are complicit with this scheme	Yes: IPCC, NAS, etc.	Yes: WHO, FDA, CDC, etc.
Alarmists propose a solution	Industrial wind energy	mRNA injection
The proposed solution is profitable for certain politically-favored parties	Yes	Yes
Proposed solution is experimental with limited proven benefits	Yes	Yes
The proposed solution has serious, documented side effects	Yes	Yes
The proposed solution may actually make the claimed problem worse	Yes	Yes
A scientifically proven solution is denigrated by the fear mongers	Yes: Nuclear Energy	Yes: Ivermectin, etc.
An objective: Extract citizen rights, and give the government more power	Yes: Green New Deal; Socialism	Yes: Restrict religion, education, etc.
An objective: Undermine US Economy	Yes: Attack on Capitalism	Yes: Lockdowns
An objective: Promote Globalism	Yes	Yes
Mainstream Media heavily promotes the fear narrative	Yes	Yes
Alarmists actions are hypocritical	Yes: Big CO2 producers	Yes: No social restrictions
